My Buchu is good for all diseases arising from excesses; such as Weakness, and Pain Grates, Tin, Copper and in the Back and Legs, Trembling in the re-gion of the Heart, Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofula Syphilis, in its many forms, Ulcers, and

I believe my Buchu and Bromide of Potassium is the best article now in the market for the cure of all diseases of the urinary or genito-unrinary organs, such as Noctur-nal Incontinence, Irritability of the Bladder and Urethra, Inflammation of the Pelvis of the Kidney, and all that class of diseases. The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of shorf or long standing. He re-fers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to oct 12 keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-ETBALE FAMILY PILLS will be sufficient.

## BULL'S SARSAPARILLA.

Dr. John Bull-Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case: I was wounded about two years ago-was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a mement since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in any thing else. I wish that that is genuine. Please express me half a dozen bottles, and oblige CAPT. C. P. JOHNSON,

P. S .- Mr. Johnson was the son of a skillful surgeon. His mother recommended to her friends, and for many years used my Sarsaparilla with perfect success. In Scrofula and Fever-sores Mrs. Johnson states Nashville and North-Western that the cures effected were almost miraculous. Read my Journal for extended in-formation and advice in your case. My Journal contains certificates of eminent persons, ministers and medical men-men who are known here in this community for integrity and veracity. I have recently received a most remarkable certificate from TWO DAILY PASSENGER TRAINS an eminent gentleman of Louisville. JOHN BULL.
